

Product information

Meguin Sägekettenoel BIO 100

Description

Rapidly biodegradable, high-quality saw-chain oil based on selected vegetable oils. Can be used over a wide temperature range thanks to its outstanding viscosity-temperature properties. Anti-wear additives in combination with special adhesive additives and the natural capacity for polar adherence of the vegetable-based base oils ensure excellent protection against wear and corrosion and prevent spin-off of the lubrication point. Toxicologically safe. Satisfies the requirements of the "Blue Angel" environmental label.
